

FLOS

Arrangements Configurator |

- Launch the tab “start now” to create your own Arrangements
- Once in the configurator make two simple choices:
 1. Add your ceiling height
 2. Choose where you want to install the light
 - *For example, for kitchen islands, dining tables, coffee tables - choose over the table; for entry/foyer, stairwell, choose free suspension*
- On the “Make Your Arrangements” page - click on elements to the right to create your Arrangements
- To make changes to your configuration - click on the item directly and a menu will appear with the option to remove components
- On the “Your Arrangements is Ready” page you can download the spec sheets to view the components of your configuration, as well as proceed directly to checkout to make your purchase
