ACID-ETCHED DIFFUSER

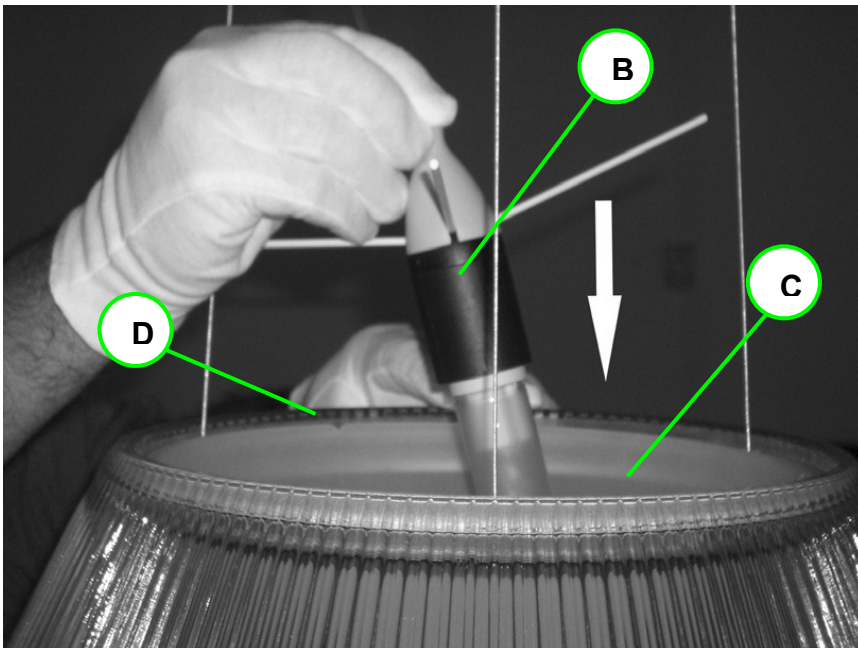

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.

Pull-out the electrical assembly (B) from the appliance.

Insert the new internal glass diffuser (C).

Collocate the electrical assembly (B) inside the internal glass diffuser (C), ensuring that the three lampholder supports are hooked on the three openings (D) present on the glass diffuser (C).
